

A group of four people are gathered around a table in what appears to be a library or office setting. They are looking at a laptop screen together, with one person pointing at it. The background is filled with bookshelves containing many books. The overall scene is dimly lit, with the text overlaid in white.

CERTIFICATION IN FORENSIC ACCOUNTING

Started in 2008, Certified Forensic Accounting Professional is the premier certification in forensic accounting domain. Certified Forensic Accounting Professional is a person who has successfully completed the examination conducted by Indiaforensic Center of Studies to become an expert in the field of forensic accounting and fraud investigations. Certified Forensic Accounting Professional is a designation awarded by Indiaforensic Center of Studies.

OVERVIEW OF CFAP

India witnessed significant growth in the frauds. Banks have witnessed the alarming growth of Non Performing Assets, Insurance companies are bleeding due to the Claim frauds and stock market regulators are actively penalizing the insider traders. Forensic Accountants are called in for the frauds perpetrated by the insiders and forensic auditors are called in to audit the books to identify the red flags of frauds.

Certified Forensic Accounting Professional is a Gold standard certification in the forensic accounting domain. It is considered as benchmark for the commerce students in India. It is one of the toughest courses in the country. Started with focus on India, today the members of Indiaforensic are present in more than 7 countries including Nigeria, Oman, Qatar, UAE, Uganda and others.

ACADEMIC REQUIREMENTS FOR THE CFAP
